Note From The President

It is an honor serving as your board president. You are very fortunate to have such a dedicated group of board members. We are committed to the long term preservation and maintance of our facilities and grounds.

I would like to personally invite each of you to become involved with your cemetery and its association.

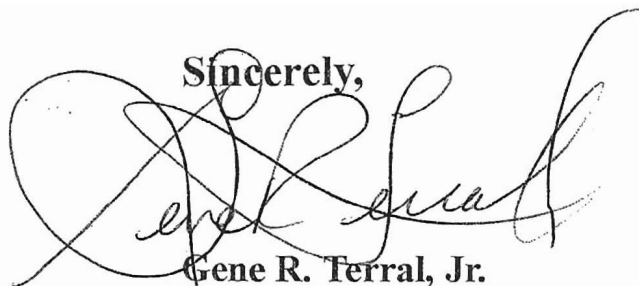

Any and all board members would be delighted to discuss your family's participation.

On a personal note, Mr. Luther Walker passed in January of this year. Mr. Luther was an inspiration to me, and an icon of our association. I will miss him.

Also, as you know Mr. Dan Tolar has served as president for many years, we owe him our thanks for his unselfish dedication.

THANKS!

Sincerely,
